Editor's Note

The Road may be long and hard, but there are always people to help you along the way. So, I say goodbye and good luck to all the grads and wish them the best as they go on to bigger and better things, but never forgetting where they came from. As for my "road" this year, all signs said "FINISH YEARBOOK," well, all the signs along with Mrs. K. Without the help of a few people, I doubt you'd be reading this yet. Those few, but dedicated people worked tirelessly, and put up with me all throughout the year, yearbook or no. So, I'd like to thank them. Mrs. K. – my advisor, math teacher and yearbook teacher, I believe you saw the most of me this year, and I don't know how you did it. Thank you for understanding what it's like to be a procrastinator, and for listening. Kim – ever perky, and always organized. Thank you for doing such a great job on the grad pages. I'm sure everyone appreciates the fact that someone with a little neatness and imagination did them, instead of me. Isabel – here for a year, friend forever. Thank you for working so much, during spares, after track. I think you worked more than I did! It just won't be the same without you next year. We'll all miss you. And last but not least, Lauren – what can I say about Lauren? Friend through everything. Thank you for putting up with me, I know how tough of a job that can be. Oh, and thanks for the ideas, collages, and laughs. Next I'd like to thank the academy, my mom, my dad... sorry, got a little carried away. But really, thank you to everyone. I love you all, I love the world! Ok, there I go again. I think it's about time that I wrap this up. So once again, goodbye and good luck to the grads and friends that are leaving, and to everyone else, I'll see you next year!

Sarah Jean Coles

Principal's Message

Arrivals and Departures

When I asked a member of this year's graduating class what her overriding memory of the year has been she replied "A sense of relief at having arrived." This provides me with a framework for my comments to this year's graduates for they have indeed arrived at a key point in their lives.

Graduation is traditionally associated with departure – a leaving from familiar places and familiar faces. For our graduates, some of whom have been at the school for many years, the departure will take them away from dear friends and mark a beginning of a new phase in their lives. A time for new experiences and adventures, an opportunity to forge new friendships and continue with their intellectual development.

The arrival at this point in our students' lives also provides us all with a chance to reflect on the many accomplishments, both personal and collective over the years at Trafalgar Castle School. I encourage the graduates to think back to another time of arrival – their first days at the school. That arrival may have been marked by great trepidation – the seemingly daunting task of a challenging Math course for example, that may have been accompanied by a cry of "I can't do Math!" Through their time at the school, with the support and guidance of their teachers, and parents, they have faced these daunting tasks and by virtue of their efforts arrived at a point where they can now proudly proclaim, "I can do this and I can do it well." The arrival should allow for personal reflection on individual accomplishments.

Collectively, this year's graduating class has contributed much to life at Trafalgar. From their academic accomplishments to their leadership in our many extra-curricular activities, our grads continue to set the stage for those who follow at the school.

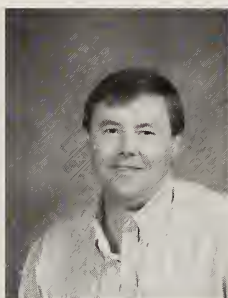

Our mission at the school is to prepare our young women for the challenges of the world that lies ahead of them. We do this by providing them with a supportive environment where they can be challenged, push the edges of the envelope and work to the best of their abilities. Our graduates should take pride in having arrived at this point of graduation from secondary school and leave full of our confidence in their abilities to meet their new challenges and be successful.

I congratulate our grads on their arrival at this very important point in their lives and wish them all the success in their post-secondary pursuits as they depart from Trafalgar Castle School. Of course we expect to see them return, for the Castle will always be their school.

I have been at Trafalgar for only one year, but just being here for one year is enough to have good memories and moments. I have learned to appreciate many things. I have met new people who will be always in my mind. I have seen the world from other perspectives. This is a world in which I have been doing things by myself, but all these have been really good for me. I am going to miss everything here, because here, I have had to construct part of my life, which was like my new home. Anyway one way or another I will take good memories with me and I will never forget about this year at Trafalgar.

Six years ago I was so frightened to come here, but now I am sad to leave. I have made so many friends here over the years; it would be impossible to name them all, but I'll try. The first person I met here was Lisa Foresta; I wish she hadn't left. Next was Christina— "Chrissy Christala..." and Manika!," then Andrea — "Sunshine," Kelsey - my OELC buddy, Miranda and Renee - still the funniest people I have ever met, Lindsay Scott and our dueling week at Muskoka, Angela - my grade 5 bud who can always make me smile, Christina White - my twin! And Meghan - I'm jealous you are already 19! From the most troublesome class to a great group of grads and prefects - we finally made it! Thanks to Mrs. Campbell for believing in me, to Mr. Palmer for just being you and to Ms. Hughes for pushing me harder.

WOW! It seems like just yesterday I was 'social-able' Kelsey in grade seven. Man how things change... or do they?? These have been seven 'PRIMO' years. Remember the good times (yes White and Runza there were some... really). Lindsay, 'the mana kid #1' never let anybody back you into a corner, especially not any scary bunnies... just 'breathe.' Weber, someday we'll set ourselves up a real gym. Angela, you'll always be P-Patty to me :) lex, my Tulsa! ACMG, the only other lifer. Miranda, 'Party Pooper Prasser,' remember the 'scams' turquoise, farms, Mr. Vegas, dressing up as devils, skipping to tan, Montreal, and all the rest. Lastly, thanks to everyone who made these seven years great. Of course thanks to my parents for making them possible.

Kelsey Benning

This is my second year studying at Trafalgar. I made two best friends at this school. We have solved so many problems together. In the future, I won't forget your answer when I asked what the Bazaar was or the letter in the mailbox. Thank-you to all for two very good years.

This year was a great experience for me! I had a great time and I met a lot of new people. Even though it was just one year, it meant a lot to me! I'm going to miss and remember every moment I spent here, every teacher, every student, every activity, every single day... I'm really going to miss Trafalgar because of all the friends I made here. Trafalgar was an experience that made me appreciate many things that I didn't know meant so much to me. Even though I was away from home, I had a great time because everyone welcomed me in a great way. I also want to thank my mom and dad for giving me this great opportunity! Thanks for everyone who made this year so great for me!!

Sarah Cummings

Hey girls, how are you? Good? That's great um, bye! Just kidding! Thanks Y'ALL (hehe Jo!) for the memories... walks to Scottie's, twice baked Pizza Pizza pizza scary giraffes, awesome laughs, Jeremiah the bullfrog, tragic crises, Abacus and farm boys (Princess Bride, anyone?) and don't forget to watch out for all those stairs, walls and doors that like to jump out at people — they'll be out looking for new victims to trip up now! Keep smiling, laughing and arming poor helpless people! And to my little sis Ali, I still love ya! What am I forgetting? Oh yeah — a couple of special mentions: Lia and Aimee.

Has there ever been a time when something went by so quickly and when it was over you realized you had a ton of people to thank? Well this is one of those times... To my extended family - Thanks for everything, you're all the greatest! To my parents and sisters - Thanks for all your support and belief in my abilities. I've felt it every day from here or the other side of the world and for that I'll always be grateful. I love

Finally to anyone I missed, believe me you all fit in a category up there in some way or another! "Promise you won't forget about me, ever. Not even when I'm a hundred." A.A. Milne.

I can't believe it's time to write this... woohoo — the past 7 years are soon over, kind of scary, but much more exciting. Every experience I have had here, good & bad, are memorable. I am fortunate for privileges such as my education at Trafalgar, travel and the many things I have participated in over the years; I am very blessed to belong to such a giving family O.K., lets face it... we all have our crummy days here, we get fed up, annoyed & might want to run. However, I hope that each student here takes the time to realize the opportunities she has — be grateful & be good to each other! The teachers I have had over the years have dedicated their time & put huge amounts of effort into their work, thank you, it has made a difference to me. The friends I have met here, KR, SB, AB, the 2001 grad

class. The DT Crew: C. Wh, MR, whether we have known each other from 7 years to 1, I had a SUPER time w/ you on our lunch get-aways, nights out & our chats! We have to keep in touch, no matter what My family. I am proud to be a Carroll—McGivern! No matter where we are, you always care & make me laugh! If home is "where the heart is," I have a few of them. HG-B, my cousin, my friend & the sister I never had - thanks for showing me how to study in front of the TV. I love ya. SB - one of the strongest women I have ever known. Your strength & integrity are always in my heart - you make me realize there's nothing I can't do. RAB: you have put up with a lot, helped me make it here with sanity (or some) & made me realize I need to "just do what I want & not worry so much." Mom & Dad, you two never stop giving, there are so many things I can think of to say to you — none will ever say how much I love you & appreciate all you do for me. I am the luckiest daughter. xo

Angela Min

Well, what can I say? I'd like to first thank my parents who have been there and supported me through the tough times, and to my friends who have made my years here more memorable. Lindsay, you will always my special Dirt Vader, Katrina my cone head (Ga save yourself!), Mojo (Olympia and field hockey), to the craziest gino lovers Tightly-Whitey's and Megham Runza Bununza, Cam Kam, Beana, Ruth, Baonae, and to Sean and Sarah, thanks for your help and patience. Daniella — pure jokes 24/7! Julia L and Miranda LP yeeaaaah! And who can forget, the greatest *lauching the nose* Erin. Hehehe. Lise (digga-digga), Anders, Lexy, Ms. Hughes, Mr. Palmer - baseball was always a blast! Ms. Skolnik, you always make me smile no matter what. Ms. Smith! And to Ms. K for her greatest patience and humour! I will miss you all very much. Keep in touch and best wishes. Luv Always Angela.

Mama & Papa: You've been my constant support in everything I've done. I'm so proud of you both. I know that I am incredibly lucky to have parents like you. Without you, I don't think that I could have survived these three years in Venezuela and in Canada. Thank you for everything you've given me - the opportunities and experiences. I may not have taken full advantage of everything, but I will try in the future to make you proud that I am your daughter. There is so much to say, but words cannot express. I love you with all my heart and may God bless you always. Hitami: You are a great sister and one of my BESTEST friends. Come and see me in Japan. I love u! Yoshi: Although we fight I'm sure we'll understand each

other some day and don't forget that I really do love u. Sayaka: I'm so glad that we will be closer next year. We have shared so many laughs and secrets, and I will continue to enjoy our friendship FOREVER. N.Y.: your responsibility, your pride, your thoughtfulness, your kindness. I learned lots of things from you. You are my ideal man. You don't know how much I cried on that day. You are pretty BAD! Te Amo. Post Friends: Yalisa, Hanayo, Shizuka, Young Jin, Sakura, Jenniter, and Elizabeth: Thank you for your friendships and love. Although we may no longer be together, you are in my heart forever. Everything is different, but everything is the same. To all my friends: Thank you for everything you have done for me. I am sorry my words are so inadequate to express how special you all are and how much you all really mean to me. I honestly believe everything I am thanks to everyone I know.

Fung-Yee Mok

I had a great time at Trafalgar. I thank my parents and my sisters who gave me support when I had problems. Thanks to all my friends and teachers in the school. Congratulations to all the graduates! Best wishes to everyone and good luck!

Wow!!! I've made it, I was a little unsure along the way but here I am. It's been a very... interesting four years here at "Dear Old Trafalgar." A couple of tough times, but thousands of great ones to make up for them. I could have never done it without a couple of people that I must thank, cause I know they'll be looking in here for their names, so I thank first and foremost my parents for enabling me to attend Trafalgar, and for keeping on me when I felt as if I couldn't do it anymore. I must thank my best friend and the only girl I know that I could ever refer to as my sister and mean it, Amy Spahic, we had some tough times but you were always there for me, and I love you for that. I couldn't have gotten through those days, and we know the type I mean, without Angela Min and her crazy antics, you always kept me laughing, thank you. Well it's on to bigger and scarier things now, I must admit that I can't wait. So to everyone who has time left here at Trafalgar, just remember what doesn't kill you, only makes you stronger.

Danielle O'Toole

I'd like to thank my mum and dad for giving me the opportunity to attend such a great school. Now to my friends: Renee, never forget the GO train and all of our good times... Meh! Lindsay, never forget grade 9. Kelsey - scams... incident #1, 2... Angela - Majo loves ya! Never forget field hockey or Olympio with Comille. "Shut up and spin" I'll miss all of you! Now to Mr. Palmer - I expect to be in your book! Mr. Huxter, I'll miss the sarcasm. My years here have been great and I know I'll miss all of the awesome people I've met. But then again, what do I know... "I'm only in gr. 10!"

Miranda Prosser

Meghan Runzo

Thanks to everyone who has accepted me as a part of the Trafalgar community. Over the year I have made some close friendships, which I hope will continue to grow. Though next year we are all going our own ways, I want to wish you all many smiles and happiness! A special thanks goes out to WHITE, thanks for keeping me sane!!! I will always remember all those great adventures

the "4 ladies" (AM, CW, CW) had down town... let's keep partying! Calc Club, what will I do without you guys next year? (JH, LS, Mrs. M, AM, CW). Thanks to all my teachers for having such positive attitudes! Good luck and take care!

Geraldine Santono

Hi, everyone. I would like to say thank you to all these people that help me to make this year a special experience away from my home and far from my family. You helped me so that English wasn't a barrier and I enjoyed each day in and out of school. You helped us so that the weather didn't affect our enthusiasm (I won't cry for the snow again, hahaha). Thank you so much for all your support in this time of learning English in this beautiful country. I hope to see you soon. Take care. Un besote enorme para todas ustedes, las quiero muchisimo.

It was a wonderful two years here at TCS. I'm glad I came back here for my OAC year and I know that I made the most of it. I will remember each of you in a very special way. GS: cup of tea? Mmm. Grace: keep those spirits high, CZ: que te vaya bien con Mike => AR: care for some mangoes? Remember to "be tough yet gentle, humble yet bold, swayed always by beauty and truth" (Bob Pieh) Most importantly, I want to thank my mom for sending me to this school and giving me all the support. Though you might not hear what you expect me to say, I do say it just in my own different way. Here is my email aushras@hotmail.com. Good luck to everyone in University and keep in touch!

"Canada," "Trafalgar" and "3 years," this combination seems like an impossible mission to me. However, at the moment I walk away from this school, I can yell out loud to the sky and say - I DID IT! These years at Trafalgar have been some of the best times of my life. Thanks to my friends for building this wonderful memory with me. I will carry your smiles and all the good times we have had to my next milestone. Our friendship is never ending! Special thanks to my parents for giving me this opportunity to attend the school and all the teachers who have been supporting me through this whole time. Without you, I wouldn't be able to achieve my dream. It has been a great three years. I treasure these thousands of glittery days at Trafalgar! I will always remember the time as being a member of this big family!

Six whole years filled with so many memories... Mom and Dad, I'm grateful and consider myself lucky to have you as parents. Goodbye everyone!!!!

Alice Thru The Looking Glass
By William J. Springer

Directed by Roopan Gill and Paige Ross

STORY OF THE PLAY

In this frumpled version of Lewis Carroll's story, Alice comes face to face with a Jabberwocky who could be Fonzie's twin! The Jabberwocky, with leather jacket and slicked black hair for a totally 50's look, cons Alice into stepping through the looking glass. Then he steals her book so he and his four supremely cool-Jabber-Babes can get into the real world.

Alice must quickly find them before they use the book or she'll never get back home. She gets lots of confusing "help" from the Messenger Rabbit, Tweedle Dum and Dee, and the Red and White queens who lead her on a merry chase going nowhere. Honestly, it's enough to make you give up mirrors forever!

UNDER 14 BASKETBALL

It was a terrific season for the Under 14 Basketball team. We had a huge range in ages and experience (not to mention height), but somehow it all came together and we had a blast. We did throw the odd airball, and Danielle B. gave some interesting advice to some of the other players ("When in doubt throw the ball between your legs!"), but in the end we had some very close and exciting games. Ashley went straight for the basket many times and Marissa and Brittanie were super co-captains. Thanks to all our faithful fans and we'll see you next year.

FRONT ROW: Danielle Bryer, Marissa Van Dusen, Rebecca Tzalazidis, Jacqueline Pilon. MIDDLE ROW: Ashley Penny, Brittanie Townsend, Margaret McKay. BACK ROW: Ms. McCarthy, Ada Ho, Raine Singh.

UNDER 16 BASKETBALL

FRONT ROW: Melanie Stone, Brittany Benning, Jasmyn Gill (Captain), Jenna MacDonell, Erika Lodge. BACK ROW: Jacqueline O'Toole, Julia Taylor, Stephanie Bonnar, Lindsay Head, Sandra Nestic (Captain), Miss Marrack (Coach). ABSENT: Kristen Hannah.

We had an awesome season this year and without these players it wouldn't have been the same. Not only were we a team, we were also great friends. The whole team was committed to practices and games and showed their love for the sport on and off the court. Our guards Erika, Sandra, Julia and Jasmyn were always good at setting up the play and getting the ball down the court. Our centres Melanie and Lindsay were rebounding superstars with their height and tenacity. Our forwards Stephanie, Kristen, Jenna, Brittany and Jacqueline were always up and down the court ready for the pass or the rebound. As the coach, I am very proud of my girls because of their spirit and their ability to conquer the goals we set in each game. Thank you for a great season Under 16's.

UNDER 20 BASKETBALL

FRONT ROW: Joanna Holland, Roopan Gill, Ms. Ouellette, Fatima Patel, Katie Holland.
BACK ROW: Kimberley Sobryan, Shazin Dosani, Jennifer Holmes, Kitt Vollmer, Dominique Hoheisel, Lauren Hildebrandt, Natalie Chan.

On the first day God created Trafalgar Castle.
And he saw that this was good.
On the second day God created girls.
And he saw that this was good.
On the third day God created a basketball team.
And he saw that this was good.
So on the fourth day
God created Ms. Ouellette
And the team started to practice.

WOW! Was this ever a great season! The U-20 basketball team had an awesome year. Under the superb coaching of Ms. Ouellette, and everyone's outstanding effort, the team improved tremendously. There were many highlights including tough defence and key offensive skills! This season was a learning experience and fun too! Congratulations on a great season.

FIELD HOCKEY

The 2000 Field Hockey team had a great season this year. The team started, and finished it's season having strong wins with home field advantage. The team gained four wins throughout the season. The team played against Bethany Hills, Appleby, Havergal, Holy Trinity College and Rosseau Lake. More than half of this year's team was made up of new players. The team demonstrated positive improvements with not only their skills but, their ability to play together as a team.

It was a pleasure to coach such dedicated individuals. To see the fun, and strong communication on the field was very rewarding. A big thank you to all the team members for making it an amazing season. Well done girls.

FRONT ROW: Lia Meraw, Aimee McIntyre, Hillary Kourkoutis, Sarah Cummings, Megan Briggs. MIDDLE ROW: Ms. Smith, Jessica Near, Kelsey Benning, Miranda Prosser, Erin Lawrence, Katie Bushuk, Christina Weber, Monika Weber. BACK ROW: Joanna Clarke, Courtney Adams, Lauren Brandon, Andrea McGivern, Angela Min, Maddie Bushuk, Alex Tichinoff.

JUNIOR SOCCER

Control, pass, shoot ... GOAL!!!! The Junior Soccer team worked hard this year to develop core soccer skills. They met fierce competition from the bigger schools from Toronto but a whole team effort kept many of the teams to tie games. The girls demonstrated a lot of potential and are sure to continue to be competitive next year.

FRONT ROW: Jessica Daicos, Megan Aird, Maria Reygadas, Noelle Starzynski, Nicole Park. MIDDLE ROW: Kirsten Campbell, Abigail Oti-Yeboah, Laura Kelly, Yasmine Abuzaya, Kirsten Sartz. BACK ROW: Robin Eickmeier, Kristy MacMillan, Amy McGrath, Laura Perkins, Christine Matheson, Miss Cornacchia.

CROSS COUNTRY

FRONT ROW: Isabelle Sanchez-Rodriguez, Regina Camacho-Sanchez, Talina Alverdi. BACK ROW: Mrs. Murphy, Milly Jeune, Brittanle Townsend, Marissa Van Dusen.

The Cross Country Club enjoyed many fall afternoons, running through leaves while pounding the pavement. It took determination and strong will for many of the participants to make it through our daily runs. Well done!

The background of the entire page is a grayscale photograph of a soccer game. It is viewed through a chain-link fence, which creates a grid pattern over the scene. The overall tone is muted and focuses on the texture of the fence and the action of the game.

UNDER 13 VOLLEYBALL

FRONT ROW: Tonya Quizley, Katie Bushuk, Mrs. Murphy. **MIDDLE ROW:** Heather Matheson, Rachel Shaw, Julianne Sobryan, Jessica Daicos. **BACK ROW:** Mrs. Miles-Berry, Jacqueline Pilon, Megan Aird, Hailey Adams, Stephanie Garbe.

The Under 13 Volleyball Team had a very successful season! Skills were improved upon continually and tremendously, culminating in the team's victory of the final game of our season. Watch for us next year! We'll be even stronger!

UNDER 14 VOLLEYBALL

The ball is served over... nice pass up to the setter... setter sets the ball and it's a good hit, but Trafalgar is prepared, and the ball is blocked... it's over! Trafalgar wins! After a great season, Trafalgar's Under 14 Volleyball Team qualified for a place in the playoffs. The team members, worked together, and won first place in the playoffs and a spot in the finals. On Saturday March 3, they travelled to Toronto to the finals, where they played with a confidence and skill that few teams have. Their spirit and continual hard work paid off and they claimed third place in all of Ontario. Since it had been a long time that an Under 14 team of Trafalgar made it this far, the girls were delighted to receive third place ribbons along with cheers from the other students the following Monday. Congratulations girls!

As a member of the team, we would like to thank Ms. Robinson and Ms. Smith, our coaches, for all of their support and encouragement for an amazing season. Trafalgar rocks!

FRONT ROW: Jennifer Halloran, Marissa Van Dusen, Christine Matheson, Danielle Bryer. **BACK ROW:** Ms. Smith, Elizabeth Mahon, Rebecca Tzalazidis, Ashley Pennx, Brittanie Townsend, Robin Eickmeier, Ms. Robinson.

UNDER 16 VOLLEYBALL

This season was extremely successful for the Under 16 volleyball team due to their hard work and dedication both in the areas of personal and team development. We finished second in the regular season and advanced to the semi-finals of the playoffs. It would be impossible to select a Most Improved Player from the team since all of the girls showed huge improvements in the skills and abilities. Captains: Melanie Stone and Jessica Near
Setters: Sandra Nestic, Wendy Ansell, Julia Taylor, Katie Holland
Middles: Lindsay Head, Laura Perkins
Hitters: Jasmyn Gill, Roopan Gill, Kait Pavletich
Coaches: Ms. Borovskis, Ms. Marrack

FRONT ROW: Jasmyn Gill, Melanie Stone, Lindsay Head, Laura Perkins, Roopan Gill, Jessica Near. BACK ROW: Ms. Borovskis, Julia Taylor, Kait Pavletich, Sandra Nestic, Wendy Ansell, Katie Holland, Ms. Marrack.

UNDER 20 VOLLEYBALL

FRONT ROW: Tomomi Mizutani, Kim Sobryan, Amy Spahic, Joanna Holland. BACK ROW: Ms. Ouellette, Louisa Yeung, Elsa Ng, Daniela Del Pozo, Dominique Hohelsel, Melanie Auger, Shalma Dhaheer.

The Under 20 Volleyball team had a tremendous season. For the occasional spectator their thought may have been that the Under 20 Volleyball team had a struggling season. However, these girls had anything but! Our competitive season began with a group of 11 girls with little experience at being on a competitive volleyball team. The girls worked very hard to improve their skills and court movement. Every practice showed improvement in each player individually and as a team. They did not win a lot of games, however that did not stop their enthusiasm. I would like to thank the team for making my first year coaching volleyball at Trafalgar Castle School such a wonderful experience.

GYMNASTICS

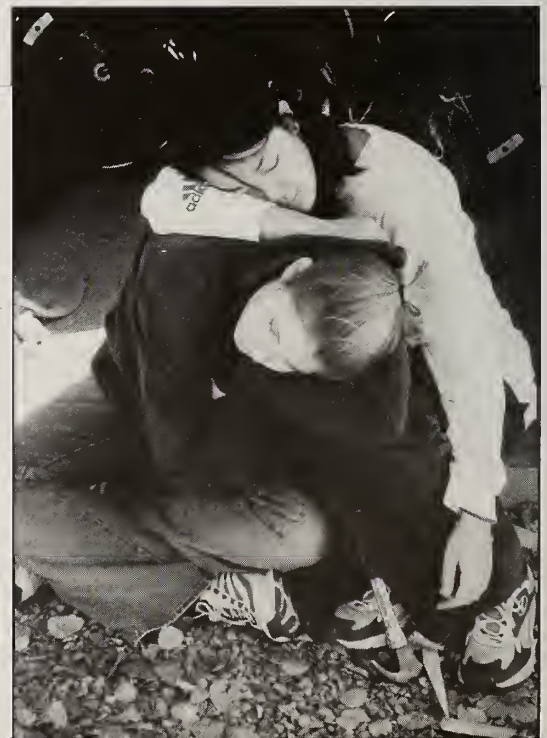

FRONT ROW: Renée Rolph, Nicole Park. MIDDLE ROW: Meghan Kirton, Harriet Bynon-Murray, Margaret McKay, Caroline Bynon-Murray, Lara Henry, Mrs. Campbell. BACK ROW: Stephanie Rolph, Ashleigh Millage, Shazin Dosani, Brittany Benning, Isabel Sanchez-Rodriguez, Julie Scanlan, Maria Reygadas.

Once again this year, Trafalgar fielded a very successful Gymnastics team. Under the direction of their new coach, Mrs. Campbell, more than eighteen girls competed in various Rhythmic categories. Special mention should go to the Senior Team of Julie Scanlan, Ashleigh Millage, Maria Reygadas and Isabel Sanchez who placed first at the Bishop Strachan Invitational Meet. As well, at the CISAA Championship Meet all of the floor gymnasts did exceedingly well. Caroline and Harriet Bynon-Murray place third and fifth respectively in the Junior Floor Competition and Ashley Meek placed fifth in the Senior Floor Division. The highlight of the meet, the outstanding performance by Renée Rolph in the Senior Advanced category, placed her a very close second. All of the girls worked hard throughout the season to improve their performances and in spite of the numerous 7:00 am practices all enjoyed the camaraderie and team dynamics. Special thanks goes to Renée Rolph who took it upon herself to lend her expertise to the team as Assistant Coach this year. Renée's extensive background in Artistic Gymnastics was instrumental to the overall successes the team experienced. Congratulations to all participants for a rewarding and very successful season! (Two gymnasts missing from the picture... Ashley Meek, Erica Lodge).

Early every morning, before the sun (and most people) are up, the Trafalgar Castle Rowing team ventured up to Lake Scuzog to train with the Durham Rowing Club. This year we had a successful season with 2 full crews – a coxed four (Hillary Kourkoutis, Courtney Adams, Alex Tichinoff, Dominique Hoheisel, Danielle Bryer) and a double (Kitt Vollmer and Jessica Near). At the Brockville regatta we had a second place in a composite eight, and a fourth place finish in the four.

Kitt and Jessica represented Durham Rowing Club and Trafalgar Castle School, in a double at the Canadian High School Championships in St. Catherines and rowed extremely well.

Congratulations go out to all of the girls for their hard work, commitment and dedication to a great season of rowing!

UNDER 14 TENNIS

The U14 tennis team was an inexperienced and young team this year. Despite some losses however, the team still managed to win some of the doubles matches and improve tennis techniques during the course of the season. Our MVP for the season was Danica Kyrillo, our number one seeded player and our most improved player was Kayla Waugh, a grade six student. Thanks again to everyone who faithfully came out to the practices and games. Hope to see you next year on the team!

FRONT ROW: Meghan Kirton, Margaret McKay, Hailey Adams, Megan Aird, Jessica Daicos, Kirsten Campbell. **MIDDLE ROW:** Stephanie Garbe, Brittanie Townsend, Meghan Patrick, Kayleigh Sheehan, Maria Reygadas. **BACK ROW:** Ms. Smith, Ms. Cornacchia, Mrs. Murphy, Mrs. Campbell, Ms. Marrack.

Trafalgar Castle has always boasted a strong Track and Field team, and this year was no different. We had many juniors and seniors of all different abilities come out this year to train and compete. The practices were tough; running around the heart, doing crunches in the gym and sprinting hills at the park were just some of our drills. Some didn't even think they would make it through the season. But in the end, it was all worth it. Both our junior and senior teams were competitive at the CISAA Indoor and Outdoor meets, often placing in the top 10. We had some fantastic results from some individual athletes as well. At the CISAA championships, Jessica Near placed 1st in the high jump and 2nd in the long jump competitions. Monika Weber easily won the 100-dash with a personal best time and qualified for OFSAA Regionals in the 100-dash with some of the best athletes in the area. Roopan Gill finished 4th in the one of the hardest events at the CISAA championships, the 400m run. We had three of the top four javelin throwers, with Sandra Nestic, Kitt Vollmer and Melanie Stone placing first, second and fourth, respectively. The relay team of Roopan Gill, Jasmyn Gill, Sandra Nestic and Monika Weber finished third overall, a fantastic result.

The Junior Track team attended three meets. At these meets, they were able to try out different events. The Junior Track and Field Team unfortunately ended their season with a very rainy CISAA Final. All of the Junior participants placed well at this final meet and should be very proud of their accomplishments.

A special thank you to all the coaches, who gladly gave their time to help with the students: Ms. Smith, Mrs. Murphy, Ms. Marrack, Ms. Cornacchia, and Mrs. Campbell. Through rain or shine, they always had a smile on their faces. Congratulations to all participants. Well Done!

FRONT ROW: Aushra Sivickyte, Ada Ho, Jessica Near, Roopan Gill, Jasmyn Gill, Jacqueline O'Toole, Abigail Oti-Yeboah. **MIDDLE ROW:** Ms. Marrack, Ms. Cornacchia, Melanie Stone, Monika Weber, Kim Sobryan, Kitt Vollmer, Isabel Sanchez-Rodriguez, Suzie Lee, Sarah Park, Molly Kwak, Mrs. Campbell, Mrs. Murphy. **BACK ROW:** Ms. Smith, Amanda Eisenhut, Kirsten Sartz, Sandra Nestic, Laura Perkins, Milly Jeune, Courtney Adams, Hae-In Jin.

GOLF

The 2001 Golf Team had a very successful season this year combining the competitive team with a recreational team. We had about 16 girls out to the driving range, 10 of whom had never played golf before. We learned a lot and had a great time too. The competitive team consisted of Laura Perkins, Kara Stepniak and Jennifer Holmes. We participated in 3 tournaments and had a very strong showing at each tournament. It was a very enjoyable season for the coaches, Ms. Marrack and Mr. Briggs. We are very proud of all the girls who came out to play. See you next season!

VALEDICTORIAN – LINDSAY SCOTT

Mr. Briggs, Board Members and Faculty, Family and Friends, Fellow Students and the Graduating Class of 2001. I am truly honoured to have this opportunity to say a few words to you today, words both on behalf of my fellow graduates and to them.

I am sure that I can speak for each member of the class of 2001 in saying that attending Trafalgar Castle School has been a very special experience. Some of us come from countries far away and some from neighbourhoods around the corner. Some have attended the school for up to seven years and some for just one. Despite the length of time here or the distance travelled from home, we have all come together as classmates, now graduates and, most importantly, as friends.

Trafalgar has provided us with many common experiences and opportunities, memories and friendships that we will carry with us always. For some of us, it began in Grade 9 at camping weekend – a lights out adventure and a door kicked open by a fellow classmate. On the Outward Bound program, we portaged, canoed, climbed cliffs, rappelled and began to grow together as a class. We continued this growth as athletes through volleyball, tennis, basketball and baseball - although sometimes success was elusive. We have grown in confidence by competing in House Plays and seeing exceptional performances by the lion, scarecrow and whiz in the musical "The Wizard of Oz." We were keen to grow through leadership positions (house captains, prefects, or class presidents). With the guidance of our teachers, we have learned to debate ideas in our classrooms, especially Mr. Palmer's classroom thanks to Miranda. With the diversity of the school population, we have learned to ask respect for ourselves and to give it to others. Although sometimes it may not have been apparent to the faculty, this very building itself has encouraged an appreciation for tradition and heritage. It has been an enriching experience for each of us - in ways that we may not fully even appreciate at this moment. On behalf of my fellow classmates, I want to thank each member of the faculty for your patience and guidance, for the special insights into your personal lives, and the encouragement which was always offered. (Special thanks to those who got us through Calculus this year!) Our thanks also to the office staff, maintenance staff, and to the kitchen staff who so creatively served us with record number days of french fries - always with patience and a smile.

To our family and friends who are gathered here, and to the many family members and friends who due to illness or distance cannot be with us today, our deepest thanks to you for the sacrifices you have made along the way and for helping to bring us to this day of celebration we now enjoy. Each of you, in your own way, has contributed to our success and to shaping us as women ready to move forward to a new phase of our lives.

To my fellow graduates, we leave this school for new experiences, entering a world of change, where creativity and ideas are valued, where excellence is demanded and where respect for those around us is essential. Trafalgar, its traditions and its faculty, our families and our friends, have done their best to prepare us - but now it is up to us - to draw upon the knowledge, abilities and values which they have developed in us. We will all carry the memories with us forever. I can't imagine moving on from Trafalgar, having not seen Roopan being pantsed, Renee's changing room dances, hearing Christina White protest being a Trafalgarite (you really are though), and hearing another one of Kelsey's camp stories!

I was reminded of a campfire song (inspired by Kelsey's stories, so they did have a purpose!) which some of you may remember and which seems appropriate now:

Make new friends but keep the old
One is silver, the other gold.

Good luck to each and every one of you, I'm sure our paths will cross again in the future.

Thank you.

Thank you.
